COMPUTING SUPPORT TECHNICIAN II

PAY GRADE: 63 SALARY: \$28,724 - \$43,086

This position will provide support of computer issues within a local health department. This position will work closely with our Information Technologist to ensure that hardware and software issues are handled promptly. This position will provide computer training on an as needed basis for staff and assist with troubleshooting issues that occur and consulting with the IT person on an as needed basis. This position will work closely with the Security Liaison to ensure that security policies are current and up to date and recommend changes on an as needed basis. This position will be responsible for providing timely resolution of computer problems that occur with or without consultation from IT.

Benefits: Participation in Local Government Retirement System. 4% employer contribution 401K. Medical/Dental/Life Insurance.

Requires: Graduation from high school and four years of experience in the use of computing and information technology resources; or an equivalent combination of training and experience.
Please attach any certifications you have in computer training.

Position Open Until Filled

Please submit a completed PD107 to the Employment Security Commission at 90 Tanglewood Drive, Louisburg, NC 27549 and to the attention of Dr. Christopher M. Szwagiel.
